Welcome to the 2023/2024 Fall & Winter Clearview Township Activity Guide. It would be my hope that you will find opportunities to explore and discover the Township of Clearview inside the pages of this guide. Clearview is such a wonderful place to live. We are blessed with beautiful landscapes, the wonders of our natural environment, and the friendliest people anywhere in Ontario! If you have an interest in rural culture or a taste for the urban fare, you may find it here. If you don't find what you are looking for in this guide, then please take a look online at our Discover Clearview website, [discoverclearview.ca](https://discoverclearview.ca).

Our Township encourages events that promote community spirit and connect residents and visitors in each of our hamlets and villages. Come and meet your neighbours at one of the Small Halls events, cheer on the local sports teams or volunteer for a local organization. Recreation services and community cultural celebrations are all part of the Clearview experience. Each year, I am joined by our Council at the Culture & Sports Hall of Fame Awards to honour individuals, teams and organizations that have made an impact in Clearview. We are proud of our rural roots and look forward to an exciting future!

## Creemore Log Cabin – early 1870s, relocated 2011

First built at the edge of the village (at George and Mary streets) and constructed with trees harvested locally, this is the last original log house in Creemore. Its first residents were James & Abigail Sarrow and their ten children. Early in the 20<sup>th</sup> century, Joseph & Emily Veitch made it their family home, followed by their daughter, Hazel (Veitch) Shaw. Its last resident, Marlyn Shaw, lived in it alone for many years. Over time, the cabin's exterior was radically altered, and its interior changed, but the basic structure remained. Early in this century, community volunteers raised funds to save the building and to reconstruct it centrally in the village on vacant former railway land. Owned by Clearview Township, the cabin is financially supported and administered by volunteers. It serves as a venue for cultural exhibits and programs. "History Hosts" welcome visitors on Saturday mornings from Victoria Day to Thanksgiving,

## Creemore Historical Walking Tour

## North America's Smallest Jail – 1892

Under the direction of the village Constable, this little "lock-up" served for half a century as a secure place to jail lawbreakers. For offences like drunkenness or disturbing the peace, inmates were lodged here over night. Those charged with more serious crimes were held here until transported to the County Sheriff in Barrie. The lock-up not only jailed lawbreakers, it occasionally provided social service. From its earliest years – and especially in the 1930s Depression – "tramps" found short-term shelter here and were fed at village expense. In the 1940s, new provincial police regulations closed this local lock-up. In the 1960s it re-opened as a tourist attraction, promoted as "North America's Smallest Jail." Although other communities may contest the claim, Creemore continues to affirm its title as a village with "a big heart and the smallest jail." From May through October, the little lock-up is open daily to the public.

## Our Curling Centre

As much as curling is a sport that offers strategy and competition, it is the social aspect that attracts many of our Members. Curling is a sport that is equally enjoyable for all ages. Come and try us out!

## Stick Curling

It is now common to see curling stones being delivered from the upright position with a stick that is slipped over the handle of the curling stone. This allows participation by people who have a physical limitation or those that are taking up curling later in life. Using the stick removes the need to master the traditional slide delivery. You can curl as a stick curler in any of the Leagues.

## Learn to Curl

The Stayner Curling Centre offers a Learn to Curl Program. The program is designed for people who would like to curl but are unsure about how to get started or the sport in general. The program is offered in the Fall with daytime and evening sessions. The curling equipment is provided, and instruction is given by trained Club Coaches. You will quickly learn to curl and have a lot of fun doing it. Watch for registration on our web site [www.staynercurling.com](http://www.staynercurling.com) in September.

## Junior Program

Check our website for registration dates and other details of this program.

# SNOWMOBILING

[www.ofsc.on.ca](http://www.ofsc.on.ca)

Get out and enjoy winter and the trails that Clearview Township has to offer! There are thousands of snowmobilers in Ontario and Ontario Federation of Snowmobile Club's many trails crisscrossing the township. Don't forget that trail users are required to display a valid snowmobile permit that entitles you to enter and travel any open OFSC Prescribed Trail at any time during the winter as often as you wish.

## Where do my permit dollars go?

Permits generate the revenues OFSC needs to maintain snowmobile trails and buy groomers. They are the only source of funding for trail operations. To ensure that your money goes to the OFSC district you ride most, it is important to buy your permit from a club in that district.

## Where can I purchase my permit?

All permits are sold online. Prices subject to change. Visit <http://www.ofsc.on.ca/> to learn more.

The price of the Seasonal Trail Permit is \$280.00 (+\$7.50 processing fee), but if purchased on or before December 1<sup>st</sup>, pay only \$230.00 (+\$7.50 processing fee). Buy early on or before November 1st and pay only \$200.00 (+\$7.50 processing fee).

The permit expires May 31 of the season of purchase. The permit is valid only in the province of Ontario and may be used for the Ontario Federation Of Snowmobile Club's Prescribed Trails.

## Classic Trail Permit - Online Only (OFSC Website)

(The price of the Classic Trail Permit is \$190.00 (+\$7.50 processing fee) but if purchased on or before December 1st, pay only \$160.00 (+\$7.50 processing fee).

## Multi Day Trail Permit - Online Only (OFSC Website) -

The price of this permit is \$45.00 per day (2 consecutive day minimum)(+\$7.50 processing fee).

# SERVICE CLUBS

**Lions Clubs International** is the largest, most recognized service club in the world. The Stayner Lions Club has had a presence in this community for over 67 years. We are a busy club of men & women with a common goal - To serve.

We hold an annual Mustang draw, suppers, pancake breakfasts, operate the concession booth at the arena and do park and roadside cleanup. Through our fundraising efforts, we can donate to camps for children with cancer, diabetes, kidney disease, vision loss and hearing loss. Locally, we support youth organizations and are always willing to lend a hand to those in need.

Our Clearview community is always there to support our fundraising events! Thank you! If you are interested in becoming a member of the Stayner Lions Club, or would just like more information, call Sandra at 705-428-6316

## STAYNER & DISTRICT KINSMEN CLUB

The only all Canadian service club. Funds are raised through a variety of community events which support local projects such as sports team, community groups and the local food bank. Annual events like the Kinsmen Duck Races in May and the Stayner Santa Claus Parade raise money and food for the community. The newly constructed Kinsmen Pavilion was officially opened in 2022 at the Centennial Park on Brock Street, Stayner. For more information about the Stayner & District Kinsmen Club, contact Kinsmen Ken Rolling 705-428-6646 or [karolling@rogers.com](mailto:karolling@rogers.com)

## CLEARVIEW KIN CLUB

We are not new to the area, but a new chapter has begun. As we embark as a new club, we look forward to servicing and supporting our community. Stay tuned to see us helping and hosting future events. We are excited to get out into the community and start meeting our local residents.

# GET INVOLVED IN OUR COMMUNITY - VOLUNTEER!

## WHY VOLUNTEER?

Volunteering within your community is not only a great way to give back but is highly rewarding. Volunteers are an extremely important part of our society. Many of our events are organized and run by volunteers.

## REQUIRED FOR HIGH SCHOOL

## BUILDS YOUR RESUME

## GETS YOU SCHOLARSHIPS

When applying for post-secondary schools, having volunteer experience is a great way to stand out and help you get scholarships to pay for school!

## HAVE FUN

Volunteering can be fun! Find positions you are interested in and get a bunch of friends involved. Opportunities to meet great people and learn new skills all while helping your community. Your time spent volunteering can be a fun and rewarding time. There are many community groups in Clearview Township seeking volunteers. Whether you are looking to help at your favourite community event, tend to beautiful gardens in our downtown areas or support a local service group, there is always something you can do!
