GREETINGS FROM THE MAYOR

Welcome to the 2024 Spring and Summer Clearview Township Activity Guide.

It would be my hope that you will find opportunities to explore and discover the Township of Clearview inside the pages of this guide. Clearview is such a wonderful place to live. We are blessed with beautiful landscapes, the wonders of our natural environment, and the friendliest people anywhere in Ontario! If you have an interest in rural culture or a taste for the urban fare, you may find it here. If you don't find what you are looking for in this guide, then please take a look online at our Discover Clearview website, discoverclearview.ca.

Our Township encourages events that promote community spirit and connect residents and visitors in each of our hamlets and villages. Come and meet your neighbours at one of the Small Halls events, cheer on the local sports teams or volunteer for a local organization. Recreation services and community cultural celebrations are all part of the Clearview experience. This year, join us as we celebrate the 10th Anniversary of Music, Market and Park It with the return of Spoons, the very first band to play at Music, Market and Park It in 2014! The award-winning Small Halls Festival is also celebrating 10 years with a special Golf Tournament and celebration concerts. We are proud of our rural roots and look forward to an exciting future!

You can stay connected to the Township of Clearview by visiting our website clearview.ca. Or explore the tourism opportunities at discoverclearview.ca.

Live your best life in the Township of Clearview.

RIDE SIMCOE COUNTY

Simcoe County is your ideal motorcycle destination. With sample routes, itineraries, and must-see stops along the way, you'll keep coming back for more! In Clearview Township, we are promoting the Saints & Sinners Loop.

If your goal when riding is to find the best food and drink spots, then the Saints & Sinners Loop is your ride. During prohibition, this area was a location for bootleggers; now you can find craft breweries, VQA wineries and heritage cideries. As you ride your way through the middle of Simcoe County, along the Niagara Escarpment and through the quaint countryside, make sure you have lots of room in your saddle bag because it will be full once you finish this loop.

Cultivating Creativity, Confidence & Kindness

Imaginarium is excited to welcome your child into a world of possibility through Art and Play. During our time together we invite your young artist to explore many different mediums. Paint, pastels, inks, collage, sewing, wood, we may get messy! At some point, we transition from visual art and open up 'The Tickle Trunks'! Using costumes and creative characters that allow us to be whomever we want to be! We also make sure to have outdoor free play time each day. Part of Imaginarium's mission is to hold safe and supportive spaces for youth to be authentically self-expressed. Co-creating with the youth, we invite curiosity, playfulness, responsibility, and a wee bit of magic! Together we will expand the frontiers of our imaginations. We will inspire and encourage each other, make art, play, and grow as creative conscious beings.

HERITAGE SITES

CREEMORE LOG CABIN – early 1870s, relocated 2011

First built at the edge of the village (at George and Mary streets) and constructed with trees harvested locally, this is the last original log house in Creemore. Its first residents were James & Abigail Scarrow and their ten children. Early in the 20th century, Joseph & Emily Veitch made it their family home, followed by their daughter, Hazel (Veitch) Shaw. Its last resident, Marlyn Shaw, lived in it alone for many years. Over time, the cabin's exterior was radically altered, and its interior changed, but the basic structure remained. Early in this century, community volunteers raised funds to save the building and to reconstruct it centrally in the village on vacant former railway land. Owned by Clearview Township, the cabin is financially supported and administered by volunteers. It serves as a venue for cultural exhibits and programs. "History Hosts" welcome visitors on Saturday mornings from Victoria Day to Thanksgiving.

NORTH AMERICA'S SMALLEST JAIL – 1892

Under the direction of the village Constable, this little "lock-up" served for half a century as a secure place to jail lawbreakers. For offences like drunkenness or disturbing the peace, inmates were lodged here over night. Those charged with more serious crimes were held here until transported to the County Sheriff in Barrie. The lock-up not only jailed lawbreakers, it occasionally provided social service. From its earliest years – and especially in the 1930s Depression – "tramps" found short-term shelter here and were fed at village expense. In the 1940s, new provincial police regulations closed this local lock-up. In the 1960s it re-opened as a tourist attraction, promoted as "North America's Smallest Jail." Although other communities may contest the claim, Creemore continues to affirm its title as a village with "a big heart and the smallest jail." From May through October, the little lock-up is open daily to the public.
