

CLEARVIEW

WELCOME!

We are working together for a safer shopping experience.

- We are limiting the number of customers in our stores to ensure the safety of everyone
- Please follow the new store path and any directions while in the store
- Please respect social distancing between customers and associates
- Please be a considerate customer and follow public health recommendations
- Customers should sanitize hands or gloves before shopping
- Handle only the items that you intend to buy
- Whenever possible, use a credit or debit card to avoid handling money or receiving change
- Let us know how we can improve your shopping experience

Thank you for supporting local businesses in Clearview Township.
