Policy Statement:

Municipalities inherently have an exposure to liability with respect to alcohol-related injuries due to the provision and rental of their facilities for events involving the use of alcohol. Essentially, the potential liability results from one of two areas:

- As a provider of alcohol (i.e. when the municipality is involved in the disbursement of alcohol), or
- As the owner of the premises upon which alcohol is being consumed (i.e. rental function and municipality controls the premises).

The Township of Clearview operates facilities where the sale of alcohol may be permitted under a Special Occasion Permit. A Municipal Alcohol Risk Management Policy has been developed to reduce alcohol related problems within Municipal facilities while at the same time promoting a safe, enjoyable environment for those who use those facilities. By reducing the potential for alcohol-related problems, the Township of Clearview reduces their risk of liability and fosters safe, enjoyable facility use for public enjoyment.

Purpose:

1. To provide appropriate and reasonable procedures and education to individuals or groups wishing to hold events in all municipally owned facilities.
2. To encourage and enforce responsible drinking practices and adherence to the Liquor Licence Act of Ontario.
3. To ensure proper supervision and operation of events in order to protect the Township, its staff and volunteers from liability arising from events, and to assist event sponsors in doing so by providing guidelines for proper supervision and proper orientation of events.
4. To encourage and reinforce responsible, moderate drinking practices for consumers through the development of appropriate operational procedures, controls, training and education.
5. To honour the decision of abstainers not to drink alcohol and to encourage their participation by providing alternative, non-alcoholic drinks.
6. To provide for a balanced use of alcohol so the alcohol becomes a responsible part of a social function rather than the reason for it.
7. To promote the safe and responsible use of the facilities and ensure that consumers, abstainers, adults, youth and families will be adequately serviced and protected.
8. To be proactive in the reduction of incidents including injury and death through the implementation of an Alcohol Risk Management Policy.
9. To develop an Alcohol Risk Management Policy that is easy to read and understand in order to maximize its use and adherence.

This Policy pertains to all events held at Township owned facilities including those run by Municipal Service Boards.
